We believe we are the original, first and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled BUMPER ARRANGEMENT, the specification of which:

- 1) _____ is attached hereto.
- 2) X was filed on February 6, 2004 as Serial No. 10/773,978 and was amended on _____ (if applicable).
- 3) _____ was described and claimed in PCT International Application No. _____, filed on _____ and amended under PCT Article 19 on _____.

We hereby state that we have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

We acknowledge our duty to disclose to the Office information of which we are aware which is material to patentability. Such information is material to patentability when it is not cumulative to information already of record in the application, and (1) it establishes, by itself or in combination with other information, a prima facie case of unpatentability of a claim; or (2) it refutes, or is inconsistent with, a position the applicant takes in: (i) opposing an argument of unpatentability relied on by the Office, or (ii) asserting an argument of patentability as defined in Title 37, Code of Federal Regulations, §1.56.

We hereby claim foreign priority benefits under Title 35, United States Code, §119 of any foreign application for patent or inventor's certificate listed below and have also identified below any corresponding foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:
